ROHM Co., Ltd.

**Notification of Product Discontinuance**

Dear Valued Customer

This letter is a formal notification that ROHM Co., Ltd. is discontinuing the production of the following part numbers. We acknowledge the obligation to promptly inform our customers of the intent to exit products and enable our customers the ability to prepare for alternatives.

In this instance, it is necessary to immediately EOL the parts listed below due to assembly location closure. The products listed below will be assembled at a new location, under a new ROHM Part Number, with slightly different package dimensions, and in some cases a different MOQ. Please refer to new ROHM Part Number links included in the attachment for the new PN data sheet.

| <b>Product category</b>   | <b>Affected part number(s)</b> | <b>Suggested replacement product</b> |
|---|--------------------------------|--------------------------------------|
| SiC   | Attached                       | Attached                             |
| <b><u>Reason for discontinuance</u></b><br>The current Assembly factory : Psi Technologies, Inc. (outsourcing assembly plant) is closing. Assembly will move to : ROHM Integrated Systems Thailand Co., LTD. under a new ROHM Part Number.  |                                |                                      |
| <b><u>Product discontinuance date</u></b><br>16-Oct-21  |                                |                                      |
| <b><u>Notice Regarding Existing Orders</u></b><br>There will be no LTB or LTS date. In this case, we may not be able to support your existing orders for these parts, and may need to ask you to order the alternative part number instead. If existing orders require cancellation, our authorized distributors will inform you as soon as possible. |                                |                                      |
