Notice of EOL for T-55619GD065J-LW-ABN

To our Valued Customer:

Thank you for your continued purchase of our LCD modules. This is a notification of EOL for the following product.

1. Part Number

T-55619GD065J-LW-ABN

2. Background

Due to recent component EOL notices from several of our suppliers that support this product and the low overall demand, we regrettably announce the EOL of this above-mentioned product.

3. Schedule

Last Time Buy Quantity Forecast:	December 15 th , 2021
Last Time Buy Order Placement:	March 20 th , 2022
Last Shipment:	September 30 th , 2022

4. Suggested Replacement

T-51750GD065J-LW-BGN

This suggested replacement is mechanically compatible, but the interface is different. The EOL product uses an LVDS interface and the suggested replacement uses a CMOS interface.

We apologize for any inconveniences and appreciate your cooperation.

Regards,

Kyocera International, Inc – Display Division
