Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

#### Description for Product Discontinuation

As we begin to rebrand and expand on our line of mobile printers, the handheld printer, THERMOFOX is being discontinued and replaced by a new design called THERMOMARK GO.K. All features remain the same, only the color of the face plate and the name and part number are being changed. All accessories from the original THERMOFOX (battery and power cord) can be used and all of the MM-... cartridges can still be used.

At this time, only the solo printer (sold in blister pack) is being discontinued. The THERMOFOX SET (p/n 0803986), is still available for purchase. In the future, a GO.K Set will be available.
