TE Connectivity

Product Change Notification: E-15-006057-C

PCN Date: 13-NOV-15

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Visual Fault Locator and Adapters

Description of Changes

The following part numbers are being discontinued (obsolete status).

Reason for Cancellation:

When the original supplier notified TE that they would no longer provide these items to TE, TE was forced to begin steps to discontinue the products. However, it was determined that the supplier to TE was not the actual manufacturer. The products are now available once again, and will continue to be offered by TE to our customers.
