4-Outlet Power Strip, 10 ft. Cord, NEMA 5-15P Plug, 12 in.

MODEL NUMBER: PS120410

Metal 12 in. power strip distributes power to multiple devices in an industrial, office, retail, rackmount, raceway, workbench or point-of-sale setting.

Description

The 12-inch PS120410 4-Outlet Power Strip is an appropriate power distribution solution for powering multiple devices in a home, office, warehouse, workbench, rackmount, raceway, retail display or point-of-sale setting. The long 10-foot power cord with NEMA 5-15P plug lets you mount the power strip away from the power source for maximum convenience and flexibility. Place it on the floor, or use the included hardware to install it vertically or horizontally on a wall, workbench or under a counter.

Four NEMA 5-15R outlets are arranged in standard 1.77-inch center-to-center spacing for easy connection to equipment. A built-in 15A circuit breaker detects dangerous overloads that could damage valuable equipment and immediately shuts down the PS120410. A transparent switch cover protects against accidental shutdowns. A lighted on/off switch confirms at a glance that the power strip is operating.

Features

Ideal Power Distribution

- · Recommended for industrial, office, retail, rackmount, raceway, workbench and point-of-sale settings
- 4 NEMA 5-15R outlets with 1.77 in. center-to-center spacing
- 10 ft. power cord with NEMA 5-15P plug
- Meets UL1363 (USA) and cUL (Canada) certifications

Premium Safety Features

- 15A resettable circuit breaker prevents dangerous overloads
- Transparent switch cover eliminates accidental shutdowns

Highlights

- 4 NEMA 5-15R outlets with 1.77
 in. center-to-center spacing
- 15A resettable circuit breaker
- Lighted on/off switch with transparent safety cover
- · Heavy-duty all-metal housing
- 10 ft. power cord with NEMA 5-15P plug

Package Includes

- PS120410 4-Outlet Power Strip,
 10 ft. Cord, 12 in.
- · Mounting hardware
- Owner's manual

• Lighted on/off switch confirms operation at a glance

Rugged All-Metal Housing

- 12 in. length
- Hardware included for mounting on a wall, floor, workbench or under a counter

Specifications

OVERVIEW		
UPC Code	037332198525	
OUTPUT		
Frequency Compatibility	50 / 60 Hz	
Output (Watts)	1800	
Output Receptacles	(4) 5-15R	
Circuit Breaker (amps)	15	
Transformer Accommodation	(2) Yes	
Outlet Spacing	1.77in.	
Right-Angle Outlets	No	
INPUT		
Nominal Input Voltage(s) Supported	120V AC	
Recommended Electrical Service	15A 120V	
Input Cord Gauge Type	14 gauge; SJT	
Voltage Compatibility (VAC)	120	
Input Plug Type	NEMA 5-15P	
Input Cord Length (ft.)	10	
Input Cord Length (m)	3.05	
Integrated Cord Clip	No
