

# Product Change Notification

## TE Connectivity

Product Change Notification: P-19-017005

PCN Date: 26-FEB-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

Pluggable Bus Bar Power Connector 2204273

**Description of Changes**

After extensive analysis of our TE manufacturing operations, as it aligns with our end Customers point of consumption, we are expanding capacity to our facility in Hermosillo, Mexico to better serve our North American markets. TE plans to maintain dual sourcing capability in both Mexico and China manufacturing facilities.

**Reason for Changes:**

Dear Customer, as a result of our continuous strive for improving our manufacture capability, we hereby inform you about manufacture capability expanding to our facility in Hermosillo, Mexico to better serve our North American markets. TE plans to maintain dual sourcing capability in both Mexico and China manufacturing facilities. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
