Description of change:	Product Discontinued / No Longer Manufactured
Reason for change:	Discontinuation of radio module
Expected influence on quality, reliability, and performance:	There will be no effect on the quality, reliability, or performance. There are no changes to form, fit, and function of the devices.
Products affected:	<ul style="list-style-type: none">• Arduino MKR FOX 1200 (ABX00014)
Time schedule:	Start shipment date: n/a Last time buy date: n/a Last time shipment date: n/a
Sample availability:	n/a
Qualification data:	n/a
Issued by:	Head of Makers Business Unit: Alessandro Ranellucci
Contact information:	For questions or comments, please contact your Arduino sales representative.

Notice

Despite stable market demand for the Arduino MKR FOX 1200, we're sorry to announce that due to unavailability of some components including the radio module originally manufactured by Microchip, the product cannot be manufactured at this time and has entered the end of life. No stock is available at this time.

Open-source software and documentation related to this board that is currently published on the Arduino website will remain available at the following address:
