Part Number: MK7P-342

MK7 Replacement blade

| Article Number | 110-07111 |
|----------------|---------------------------|
| Туре | SP MK7P replacement blade |
| Color | Black (BK) |

Features & Benefits

•Enhanced technology for better application of cable ties. •Improved compressed air supply for faster tensioning piston movement. •Shorter processing time and greater volume of connecting tie application. •Genuine potential for rationalization. •Ergonomic design, molded handle to prevent slippage, reduce operator fatigue. •Lightweight but very tough housing made of glass fiber-reinforced plastic. •Meets high industry standards. •Tensioning and cutting off cable ties flush with head by pressing one button. •Smooth cut edge to prevent injuries. •Automatic ejection of cut-off cable tie end. •Three-level preset control to set tool tension. •Optional safety cap to prevent tension setting from being changed by accident (important when bundling sensitive materials and maintaining process reliability.) •Non-slip, comfortable grip, soft touch trigger, and one-touch tensioning/cut off. •Very lightweight and easy to use on all cable ties 2.5–4.8 mm wide. •All separately sold accessories are compatible with the MK7P series tool.

Quantity Per pcs.

| Product Description | Replacement Blade |
|-----------------------------|------------------------------|
| Short Description | MK7 Replacement blade |
| Global Part Name | SP MK7P replacement blade-BK |
| Technical Description | MK&P Replacement Blade |
| | |
| Tension Setting Tools | Adjustable |
| Tension Force | 60 to 170 N, adjustable |
