

## End Of Life Notice

|                               |   |  |                               |                           |
|-------------------------------|---|--|-------------------------------|---------------------------|
| <b>Issue Date</b>             | Mar 04, 2022  |  |                               |                           |
| <b>Supplier Name</b>          | PULSE ELECTRONICS   |  |                               |                           |
| <b>Originator</b>             | <b>Name</b>   | <b>Email</b>   | <b>Phone</b>                  |                           |
|                               | Levene Xu   | <a href="mailto:levenexu@pulseelectronics.com">levenexu@pulseelectronics.com</a> | +86 769 85538871<br>Ext: 2417 |                           |
| <b>Customer Name</b>          | GENERIC   |  |                               |                           |
| <b>EOL notice Number</b>      | PCN-100000365, Rev D  |  |                               |                           |
| <b>Reason for End Of Life</b> | Due to changes in the RoHS and WEEE regulations we have identified that these parts are not fully RoHS compliant and required exemptions. They have been withdrawn from production and the new replacement design(S) listed are fully fit, form and function to them. |  |                               |                           |
| <b>Last Time Buy Date</b>     | Oct 25, 2021 – Original LTB – Cannot be Extended.   |  |                               |                           |
| <b>Warranty</b>               | Pulse warranty will be limited to <u>credit only</u> for confirmed defective units.   |  |                               |                           |
