**LC package product site consolidation and SnAg terminal plating obsoleting notice**

Dear Valued Customer:

Thank you for choosing EPSON TOYOCOM CORPORATION for your product. EPSON TOYOCOM maintains a continuous effort to improve the production and delivery performance of its product. We will consolidate the production site of the LC package production site to Malaysia EMS and obsoleting the SnAg terminal plating.

The details are as follows:

Products Affected: LC package with SnAg terminal plating

- **RX-4571LC:** (Q414571C1000100)
- **RX-4574LC:** (Q414574C1000x00)
- **RX-4575LC:** (Q414575C1000100)
- **RX-8564LC:** (Q418564C1000x00)
- **RX-8731LC:** (Q418731C1000100)
- **RX-4803LC:** (X1B000122000x00)
- **RX-8803LC:** (X1B000141000100)
- **SG-3030LC:** (Q3102LC01000x00)
- **SG-3040LC:** (Q3103LC01000100)

The Sn100% plating products are nothing affected by this PCN.

Change item:

**Japan domestic site will be consolidated in Malaysia EMS.
