General Product Description:

JPT A REC 2.8 Contact SRC Sn

Description of Changes

Manufacturing location change. Following Part Numbers will be transferred from TE Montcada to TE Braganza.

Reason for Changes:

Dear Customer, we hereby inform you about a tool and/or process transfer to improve our Supply Chain towards customers as well as amend TE's footprint. The transfer follows a strict procedure which fully maintains quality, ability to supply and form-fit-function of concerned products. The receiving manufacturing location operates under a certified Quality Management System in accordance with standard automotive requirements and respective customer specific requirements. Before delivery a TE-internal release test will be executed based on relevant part specifications defined by Product Engineering. This process has been reviewed and shared upfront with respective OEMs. Upon request, PPAP Level 1/VDA Level 0 will be available, unless anything else agreed. If you require a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN. For further details please get in touch with your Sales or Customer Service Account.
