

16-Device USB Charging Station Cabinet with Sync for iPad and Android Tablets, Wall-Mount Option, White

MODEL NUMBER: CS16USBW

Locking steel cabinet provides 2.4A USB charging, syncing, secure storage and cord management for up to 16 tablets and other USB devices. Recommended for education, office, commercial, retail, industrial and healthcare environments.

Description

The CS16USBW 16-Device USB Charging Station Cabinet provides fast charging, convenient syncing, secure storage and cord management for up to 16 iPad, Android, Surface and Kindle tablets, as well as mobile phones and other USB devices. It's recommended for education, office, commercial, retail, industrial and healthcare environments.

16 USB ports deliver the fastest charging supported by each device, up to 2.4A per port. The charging station also supports wired and wireless syncing, including syncing while charging.

The steel cabinet promotes comprehensive device protection with steel construction and a white powder-coated finish for long-term durability. It locks with the included keys to help prevent device theft, damage or tampering. Flow-through ventilation protects against overheating, and the coated shelf helps prevent scratches and scuffs. The charging station also provides clutter-free organization of devices and cabling.

The CS16USBW is easy to configure. It ships fully assembled and supports mounting to a wall, desk, table, counter or floor. The front door opens 180 degrees for improved device and service access, and removable dividers accommodate thicker devices.

Features

Fast Charging

- 16 USB ports provide fastest charging supported by each device, up to 2.4A per port

Highlights

- Fast 2.4A USB charging, syncing and storage for 16 tablets
- Locking steel cabinet with flow-through ventilation
