

Mechanical Dimensions: Inches [mm]

Tolerances ± 0.012 [0.1] Unless Otherwise Specified

Circuit Diagram

Intermittent Duty. Grounded base

Electrical Specifications

Make and Break Rating	24VDC 100A
Coil Resistance	16 \pm 1 Ohm
Operating Voltage	<20VDC
Operation Temperature	-40°C~80°C

Material Specifications

Phenolic body
Copper terminals
5/16"-18 Thread terminals with lock washers
Flat bracket
