

Dear Distributor Partner:

MEAN WELL will be EOL the TS-700/1000 series in the upcoming July price and online announced. Please see the complete full part number below. If you still have some open order for your customers, we'll accept the **last buy order by 6/22**.

The new series NTS-750/1200 have been released to replace TS-700/1000 and product performance is much improved. Please help start stocking and replace all customer/project buy with NTS series. Thank you!
