

GENERAL PURPOSE **Technical Data Sheet**

- Specialized Lightweight **Resin Coating**
- Will Not Fray When Cut With Scissors
- **Expands Up To 150%**
- Designed For Versatility **Of Installation**
- High Abrasion Resistance

Material **Polyethylene Terepthalate**

Grade PTP

Monofilament Diameter .010"

Drawing Number TF001PET-WD

Flexo® PET PLUS Lightly Coated Expandable Sleeving For Easy Cutting And Durability

FLEXO[®] PET PLUS (PTP) has all the qualities of our legendary Flexo[®] PET, plus a highly specialized, fray-resistant resin coating that facilitates easy cutting with scissors.

Flexo[®] PET Plus is an elegant and economical choice for projects that call for versatility of installation and for situations where access to a hot knife is impossible. It cuts easily and cleanly with ordinary scissors.

In addition, Flexo® PET Plus has a wide operating temperature range and is resistant to chemical degradation, UV radiation, and abrasion.

Will Not Fray When Cut With Scissors
