Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Installation	BG3	Product Discontinuation	Notify Distributors and Field	8/27/2019

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The CRIMPFOX 6T and CRIMPFOX 6T-F will be replaced with the CRIMPFOX DUO 10. This will result in a functional extension of the hand crimping pliers, with the use of ferrules 24-8 AWG single wires, or 2x20 - 2x12 AWG twin ferrules, instead of the previous 10 AWG limit. With the CRIMPFOX DUO 10, there will be the option of rotating the crimping die and crimping the conductor from the side or the front. This will result in a functional extension and the ergonomics have been optimized and the weight/dimensions of the hand crimping pliers reduced.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
