

## END OF PRODUCTION NOTIFICATION

EOP No.: **EOP150801**

*This End of Production Notification serves to inform the Purchaser and Consumer of the discontinued availability of the Crydom part numbers listed herein in accordance with the described time line.*

**Issue Date:** August 17<sup>th</sup> 2015

**Effective Date:** January 4<sup>th</sup> 2016

**Subject:**

**Obsolescence of LC Series and substitution with ASO Series.**

**Scope:**

Production of the LC Series of Solid State Relays is being discontinued. The LC family can be replaced by the fully compatible ASO Series of Solid State Relays.

**Products/Models this EOP applies to:**

LC241  
LC241-7441  
LC241R  
LC242  
LC242R

**Last Time Buy Date:**

Thursday December 31<sup>st</sup> 2015. These items have been granted a 4 month last time buy period. The products will become obsolete on Monday January 4<sup>th</sup> 2016.

**Last Ship Date:**

Friday January 29<sup>th</sup> 2016.

**Alternative Products/Models:**

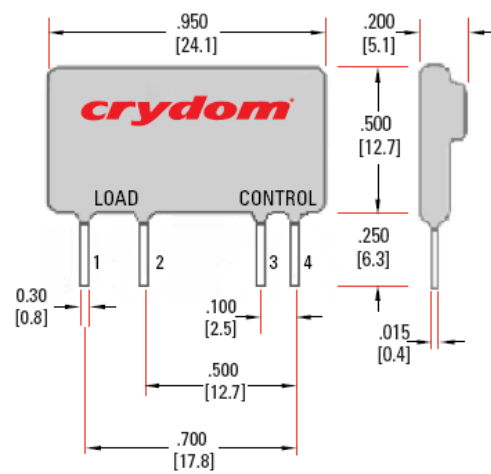

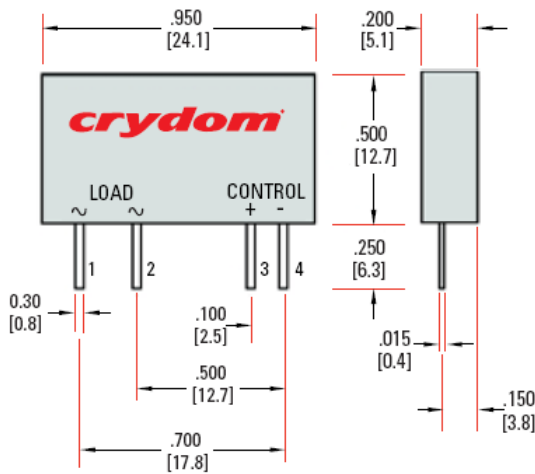

The LC Series is being totally replaced by the ASO Series which has comparable features, form, fit, dimensions, pin layout and specifications. The ASO series has better rating performance compared to the LC series, is a high runner product, and has been on the market for many years. A comparison between these 2 Series is shown below:

LC Series

ASO Series

Part numbers to be obsoleted are shown below, including direct replacement part numbers:

Obsolete Part Numbers	Replacement Part Numbers
LC241	ASO241
LC241-7441	ASO241
LC241R	ASO241R
LC242	ASO242
LC242R	ASO242R
