

PCN Notice

JAE Oregon will be localizing both M34S75C4F1 and M34S75C4F5 from JAE Japan to JAE Oregon. There will be no changes to the product or process.

JAE Japan will be testing the tools to Honda's specifications and receiving Honda's approval before sending them to our Oregon location.

PPAPs are expected to be submitted by late January 2018.

If you should need **PC PPAP** (Process Change Production Part Approval Process) documents to submit to your end customers, please notify us no later than 11/20/2017 in order for factory to prepare and submit PC PPAP documents by the proposed date.

** We will consider No Response by the deadline, as "No PPAP Required, ok-to-ship" **

If you have any questions regarding this matter, please contact your JAE account manager.

Thank you for your cooperation.
