

This letter serves as formal notification that On-Shore Technology has discontinued terminal block part number OSTVI022152. On-Shore Technology appreciates and values our business relationship. As a result of this parts obsolescence we have recommended part number OSTF351E0210050 as an alternate. Specifications and samples are available upon request. We regret any inconvenience this announcement may cause.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony J. Thomas Jr.', is written over the printed name.
