July 17, 2013

TT electronics Sensors and Controls' Optoelectronics Business Unit (OPTEK Technology) announces the obsolescence of its OVS9WBCR4 White PLCC2 SMD Visible LED

Part Numbers Affected: OVS9WBCR4

Effective Date of Obsolescence: 08/16/2013

Last Time Buy: Last time buy orders must be received by August 16, 2013 with delivery scheduled no later than 12/31/2013. Orders received *after* 08/16/2013 will not be honored.

Recommended Replacement: No recommended replacement exists for the OVS9WBCR4.

Factory Backlog: Current factory backlog will not be affected.

Inventory: Under the terms of our distributor agreement, existing inventory may be returned for credit. RMA's may be requested from your Optek Customer Service Representative. Return requests must include quantity, part number, acquisition cost, purchase order number and date received. Requests for return must be received within thirty (30) days of this notification. Requests for return received beyond thirty (30) days will not be considered.

TT electronics/Optek Technology regrets any inconvenience this obsolescence may cause your customers.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. B. H.', written over a horizontal line.
