T121 EOL Announcement for DC-AC inverter

We thank you for your continuous patronage on TDK products and services.

We would like to inform you that we will discontinue DC/AC inverter products.

CXA series of DC-AC inverter had got less increasing several years and not expects to get new business, as you know the function is alternating to LED from CCFL.

In addition, TDK Akita has announced organizational restructuring and close TDK Yuri Honjo (TYH) plant. At this situation, we have decided to stop DC-AC inverter production for CCFL both Japan (Yuri Honjo) and Malaysia plant.

We are very sorry for inconvenience caused.

Please understand we have concluded this direction by unpredictable business circumstance.
