1K Ohm Resistance Option for Select Bourns® Model 3700/3701 Precision Potentiometer to be Discontinued

Riverside, California – March 16, 2022 – In accordance with our ongoing product life cycle management procedure, Bourns has transferred the 1K Ohm Resistance Option for Select Bourns® [Model 3700/3701](#) Precision Potentiometers to an End of Product Life status effective immediately. A lack of sales volume and a high Minimum Order Quantity necessitates this action. The affected part numbers are listed below.

Obsolete Part Numbers

3700S-1-102L

3701H-1-102L

No direct replacement part numbers are available at this time. Other resistance options are available to order.

Please note: Date code 102 for the resistance value 1K ohm is no longer available.

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
