Subject: Product Change Notification Letter

Details of Change:

The following transformer component part number has been updated to a new catalog part number.

This is the same transformer with no changes to form, fit and function. There will be no compatibility issues. Only change is the way the transformers are packaged from individual to bulk packaging.

Minimum order quantity will be 50 pieces.

- 480:347:277-125VA-IC (SAP PN 93056172) will become 480:347:277-125VA (SAP PN 93027322)
