

Product Change Notification

TE Connectivity

Product Change Notification: E-18-016878

PCN Date: 30-JAN-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

AMP POWER DOUBLE LOCK HOUSING AND CAP (GWT)

Description of Changes

Adding a new material which can meet product specification and show better performance (RTI is better than current material, and other performances are equivalent) than ones with current material and at the same time product delivery time improvement.

Other attachments:

[PCN INTRODUCTION](#)

Reason for Changes:

Product Improvement. 1) In order to improve product performance, adding a new material(it can meet product specification and show better performance than current material); 2) FAAR and Qualification tests , GWT tests had been finished, tests results are ok; 3) UL certification had been finished. 4) The product PNs are not changed, only supplier change.5) A little Color difference will be found , but it won't influence product performance.
