Re: Obsolescence of TH4NIC cards & the TXR3025 rack

Dear Valued Customer / Partner,

TDK-Lambda has received EOL notices for the TH NIC cards & the TXR3025 rack. This is due to difficulty in sourcing the NIC card processor and reduced sales of the rack. Without suitable alternatives, we are obsoleting these products.

Part numbers:

THR4NIC
THR4NIC12
THR4NIC24
THR4NIC36
THR4NICM48
TXR3025

If you have a need for one or more of these products, please contact TDK-Lambda for a last time buy, as we only have limited access to a small number of components. Orders will be non-cancellable and non returnable.

For alternative products, please contact our technical support for additional information. 1-800-526-2324 or email lambda.techsupport@us.tdk-lambda.com
