Data sheet

Illuminated pushbutton, 22 mm, round, plastic, clear, pushbutton, flat, momentary contact type, with holder, 1 NO+1 NC, LED module with integrated LED 110 V AC, Spring-type terminal

product designation design of the product product type designation product line product extension optional light source color of the actuating element product extension optional light source color of the actuating element product extension optional light source plastic product extension optional rodule product extension optional light source color of the actuating element product extension optional light source color of the actuating element product extension optional light source color of the actuating element plastic shape of the actuating element product component front ring quality and public product extension optional plant or ound plastic shape of the actuating element shape of the actuating element product component front ring plastic plastic
product type designation product line Plastic, black, 22 mm manufacturer's article number • of supplied contact module at position 1 • of supplied LED module • of the supplied holder • of the supplied actuator • of the supplied actuator 1
product line Plastic, black, 22 mm manufacturer's article number of supplied contact module at position 1 of supplied LED module of the supplied holder of the supplied actuator of the supplied actuator asundard points Actuator design of the actuating element product extension optional light source color of the actuating element material of the actuating element product diameter of the actuating element pouter diameter of the actuating element pouter diameter of the actuating element product component front ring product component front ring design of the front ring Standard
manufacturer's article number of supplied contact module at position 1 of supplied LED module of the supplied holder of the supplied actuator of the supplied actuator asulton-oabro-oabo of the supplied actuator of the supplied actuator asulton-oabro-oabo number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules Front ring product component front ring Yes design of the front ring Standard
of supplied contact module at position 1 of supplied LED module of the supplied holder of the supplied actuator of the supplied actuator of the supplied actuator number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element outer diameter of the actuating element product component front ring product component front ring Standard SSU1400-1AA10-3FA0 3SU1401-1BC60-3AA0 3SU1001-0AB70-0AA0 1 Element momentary contact type Yes clear round clear plastic round 29.45 mm number of contact modules 1 Front ring Product component front ring Yes design of the front ring Standard
of supplied LED module of the supplied holder of the supplied actuator of the supplied actuator asu1550-0AA10-0AA0 of the supplied actuator asu1001-0AB70-0AA0 number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules Front ring product component front ring design of the front ring Standard
of the supplied holder of the supplied actuator asu1001-0AB70-0AA0 number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules Front ring product component front ring design of the front ring Standard
of the supplied actuator number of command points 1 Actuator design of the actuating element
number of command points Actuator design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules Front ring product component front ring design of the front ring Standard
design of the actuating element principle of operation of the actuating element product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules product component front ring design of the front ring Standard
design of the actuating element Button, flat principle of operation of the actuating element momentary contact type product extension optional light source Yes color of the actuating element clear material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.45 mm number of contact modules 1 Front ring Yes design of the front ring Standard
principle of operation of the actuating element momentary contact type product extension optional light source Yes color of the actuating element clear material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.45 mm number of contact modules 1 Front ring product component front ring Yes design of the front ring Standard
product extension optional light source color of the actuating element material of the actuating element shape of the actuating element outer diameter of the actuating element number of contact modules product component front ring design of the front ring Yes Standard
color of the actuating element clear material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.45 mm number of contact modules 1 Front ring product component front ring Yes design of the front ring Standard
material of the actuating element plastic shape of the actuating element round outer diameter of the actuating element 29.45 mm number of contact modules 1 Front ring product component front ring Yes design of the front ring Standard
shape of the actuating element round outer diameter of the actuating element 29.45 mm number of contact modules 1 Front ring product component front ring Yes design of the front ring Standard
outer diameter of the actuating element number of contact modules 1 Front ring product component front ring design of the front ring Standard
number of contact modules Front ring product component front ring design of the front ring Standard
Front ring product component front ring design of the front ring Standard
product component front ring design of the front ring Yes Standard
design of the front ring Standard
material of the front ring
plastic planting
color of the front ring black
Holder
material of the holder Plastic
Display
number of LED modules 1
General technical data
product function positive opening Yes
product component light source Yes
insulation voltage rated value 320 V
degree of pollution 3
type of voltage of the operating voltage AC/DC
surge voltage resistance rated value 4 kV
protection class IP IP66, IP67, IP69(IP69K)
• of the terminal IP20
degree of protection NEMA rating 1, 2, 3, 3R, 4, 4X, 12, 13

shock resistance	
according to IEC 60068-2-27	sinusoidal half-wave 15g / 11 ms
 for railway applications according to EN 61373 	Category 1, Class B
vibration resistance	
according to IEC 60068-2-6	10 500 Hz: 5g
 for railway applications according to EN 61373 	Category 1, Class B
operating frequency maximum	3 600 1/h
mechanical service life (switching cycles) typical	3 000 000
electrical endurance (switching cycles) typical	10 000 000
thermal current	10 A
reference code according to IEC 81346-2	S
continuous current of the C characteristic MCB	10 A; for a short-circuit current smaller than 400 A
continuous current of the quick DIAZED fuse link	10 A
continuous current of the DIAZED fuse link gG	10 A
Substance Prohibitance (Date)	10/01/2014
operating voltage	
• at AC	
— at 50 Hz rated value	5 500 V
— at 60 Hz rated value	5 500 V
at DC rated value	5 500 V
Power Electronics	
contact reliability	One maloperation per 100 million (17 V, 5 mA), one maloperation per 10 million (5 V, 1 mA)
Supply voltage	Timion (O v, 1 tilr)
type of voltage of the supply voltage of the light source	AC
supply voltage of the light source at AC	
• at 50 Hz rated value	110 V
at 60 Hz rated value	110 V
Control circuit/ Control	
inrush current of LED module maximum	3 A
in don our on the model maximum	071
Auxiliary circuit	
Auxiliary circuit design of the contact of auxiliary contacts	Silver alloy
design of the contact of auxiliary contacts	Silver alloy
design of the contact of auxiliary contacts number of NC contacts for auxiliary contacts	·
design of the contact of auxiliary contacts number of NC contacts for auxiliary contacts number of NO contacts for auxiliary contacts	1
design of the contact of auxiliary contacts number of NC contacts for auxiliary contacts number of NO contacts for auxiliary contacts Connections/ Terminals	1
design of the contact of auxiliary contacts number of NC contacts for auxiliary contacts number of NO contacts for auxiliary contacts Connections/ Terminals type of electrical connection	1 1 spring-loaded terminals
