After Change

Capacity change in plating

Molex CCL, Shizuoka plant will have increase in capacity in plating shop. This is intended to increase supply in terminal of SSB6, SSB8, and HB8 series. There will be no change in product Fit, Form, Function, Performance, and Sales Drawing.

Deeply apologize for the short-lead time notice due to increase in demand and for us to keep the delivery. Highly appreciate for customers understanding and acceptance to this in advance.
