

End of Life Notice

Dear Partners :

ATOP appreciates your daily support on Serial Communication business.
 We would like to notify you that the models above mentioned are discontinued due to product line rearrangement and customers' responses as well as the need of a more powerful platform. SE/MB520X Series will provide more features, better performance and improved hardware.

Phase-out Module:

SE5001 1-Port Serial Device Server, (all versions)
 SE5002 2-Port Serial Device Server, (all versions)
 SE5001A 1-Port Serial Device Server, industrial EMC protection, (all versions)
 SE5002D 2-Port Serial Device Server, industrial EMC protection, (all versions)
 MB5001C 1-Port Modbus Gateway, (all versions)

We suggest the replacement models as the following:

EoL Product	EoL Part Number	Replacement Product	Release	Repl. Part Number	Last order Date
SE5001(DB)	1P1SE500100003G	SE5201C-DB	released	1P1SE5201C0001G	12/31/2019
