Product:	Metral Header Straight Hybrid Monoblock HM1D-series	Part Numbers Concerned:	See list attached
Product Manager:	F. Lahoreau	Issue Date:	Sep 29, 2008
		Page(s):	1/1
Distribution:	Active and Contract Customers		

Subject:

Discontinuation of HM1D-series: Metral Header Straight Hybrid Monoblock.

Nature of Change:

Use of mono block designs was popular in mid nineties. Exploring the benefits of standard modules, the appreciation and design-in of mono block reduced. With the reduction of volume in these customer specials and lack of any new development, we will adjust our portfolio accordingly. Therefore we will withdraw these products from the market by year end 2008.

Implementation Date:

Last order date: Dec 15, 2008

Last shipment date: Jan 30, 2009.

Affected Part Numbers:

See list attached

Alternative Products:

As alternative each monoblock can be built using standard signal modules combined with modules for Guide pins or Power pins. We will be most happy to advice on request.

Action Required:

Please inform related OEMs and their partners and highlight the option for a last-time-buy before year end.
