**Announcement of production transfer**

**Dear Valued Customers,**

This is to announce that Tuning Fork Crystal units indicated below will be entirely transferred to our own factory in China due to the following reason;

In response to fiercer competition we decided to enhance our production with this transfer.

**Tuning Fork Crystal Units involved is:**

**Model: CFS-145 series**

**Factory: Master Crown Electronics Limited in Guangxi province of China.**

Above factory has already produced Tuning Fork Crystal Units. The factory is determined to respond to market by timely planning, local procurement and technology exchange with factory in Japan.

The production transfer is scheduled to start from **June 2014**. Please contact us if you have any questions for this event.

Sincerely,
