December 14, 2015

Product Discontinuance Notice (PDN) No: 153778

Subject: Microsemi Discontinuance Notice – Le88264TQC

Description:

Microsemi is announcing the discontinuance of the Le88264TQC.

Reason for Discontinuance:

The decision to discontinue this product was driven by diminished demand and low forecast volumes.

Customer Impact:

This device is being removed from Microsemi's product offering and will no longer be available for order after June 13, 2016.

Replacement Parts:

The Le9642PQC, in a 48-pin QFN package, is the latest generation device with similar functionality to the Le88264TQC.

For more information about replacement solutions, please contact your local Microsemi Sales Office.

Last Order Date: June 13, 2016

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than June 13, 2016. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: December 13, 2016

Please note that Microsemi will continue to ship last-time-buy orders as requested only through December 13, 2016. Product orders must be scheduled to ship no later than this date.
