## D8M-D82 Industrial Pressure Sensor – Discontinued

In an effort to streamline our product offering and focus on popular models of Omron’s Pressure Sensors, all versions of the D8M-D82 will be discontinued at the end of November 2018. Models include, but are not limited to, the standard part number. There is no suggested replacement at this time. Please carefully read through this notification. The following details will fully explain the discontinuation. Should you have any additional questions, please communicate with the Sensor Product Manager.

**LAST Order date (Last Time Buy Date)**  
**November 30, 2018**

Discontinued Product	Suggested Replacement
