**Subject: Product Termination Notification MLX90326LFR-AAA-000-RE**

Dear ,

We regret having to inform you that Melexis intends to stop production of above-mentioned product due to low demand.

To prepare a ramp-down scenario, Melexis will still accept orders of MLX90326LFR-AAA-000-RE till 31-AUG-2020. By then we expect a final all-time buy order for delivery until 28-FEB-2021. Hence, we are providing you a 12 months transition period.

This order will be non-cancelable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

The devices received from Melexis may be stored for a period up to 2 years in their unopened original packing at room temperature without the use of additional special precautions according to JEDEC J-STD-033.

For logistical follow-up and assistance with your orders, please contact your main contact at Melexis, Cathy De Ron. In case of technical questions, please contact the undersigned.

Sincerely,

**Laurent Otte**
