PCN Date: 13-DEC-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
WLAN DUAL BAND PCB ANTENNA

Description of Changes
PCB Silk screen changes only. NO antenna performance or part fit changes. 1) Moved manufacturing date code & vendor code marking to front side of part. 2) Removed UL & 94V0 marking from back of part. 3) Updated TE logo per latest Trademark requirements. 4) Changed part rev marking to "Rev D" to match updated control documents.

old marking	new marking

Reason for Changes:
Document clarification. Items 1 & 2 - were not visible on back side of part after it was applied. Item 3 - needed to comply with latest trademark marking standard. Item 4 - needed to change to match control documents.
