**(Product Change Notification)**

Wednesday, February 26, 2020

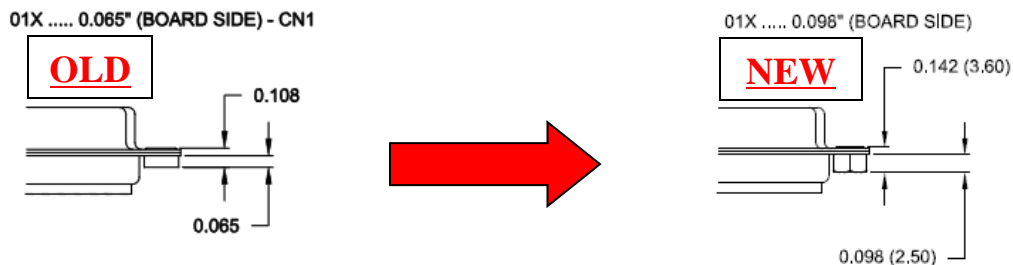

PCN# 21420

To Whom It May Concern:

In efforts to improve our quality and match industry standards NorComp has changed the geometry of the hardware associated with the following part numbers:

- 774-E09-113R011
- 774-E15-113R011
- 774-E25-113R011

The hardware change pertains to shape and length. The shape of the hardware will now be a hex instead of a cylinder and the length of the parts will now be 0.098" instead of 0.065". Please see the illustrations below for a better understanding of the change.

You are receiving this notification as our records show that you have purchased some of these products in the last 5 years. We appreciate your understanding as we strive to offer you the most current information regarding our product.

Please confirm receipt & acceptance of product change notification (by responding to the email you received this notification through). If you have any questions or concerns, please feel free to contact us at [sales@norcomp.net](mailto:sales@norcomp.net).

Regards,

Joshua Kadel  
Senior Product Engineer
