EOL Notice: SM631GX* BA

Product Change Notice for SM631G BA series**

Silicon Motion is announcing the end of life notice of SM631G** series Rev.BA* products as highlighted in the table below with the replacement Part Number. The EOL is due to (1) 2D SLC end of life (2) succession of 3D NAND based product in SLCmode offering better cost effective solution. The replacement 3D NAND product is fully qualified by Silicon Motion & market MP proven; therefore, it will be a low risk migration.

Please refer to the new part number listed in the table for ordering.

Product	SM631 series Rev. BA* (old PN)	SM619 series Rev. DFS (new P/N)
