May 25th 2018

Dear valued customer,

this letter serves as your formal notification that Belden is discontinuing the product GDMF 3009 out of our field attachable valve connectors type A series, effective October 31st 2018. This article contains components which have become obsolete.

Belden has a limited stock of these devices that will last until final delivery date.

End-of-Life Products:

EOL-Article	Article description	Alternative	Article description
933944100	GDMF 3009	934618002	GDMF 3016 DAAA

The standard warranty terms will be honored for all units shipped to date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit www.belden.com/ltps. Special contracts in place and active prior to the announcement date will be honored according to the terms of that contract, with regard to product availability, warranty, or support terms.
