

Product Change Notification

Notification Number:	2020-1022
Title:	Light Engines and Light Modules
Publish Date:	June 24, 2020
Implementation Schedule:	As of June 15 th 2020 all new orders will be fulfilled with the new part numbers
Effective Date:	June 15, 2020

Description of Change

In a continuing effort to further improve the product offering, LEDdynamics has moved to newer generations of LEDs used on the Light Engines and Light Modules. This change increases the light output and reduces the forward voltage drop on most of the products and implements a consistent nomenclature across the product families. All other form, fit and functionality remain the same for the products.

Alternative Component Recommendation

See table below for a full list of updated part numbers for the Light Engines and Light Modules.

Timeline

As of June 15th, 2020, all new orders will be fulfilled with the new part numbers. Old part numbers will no longer be available nor will any order be fulfilled with a combination of old and new part numbers.
