

Product End of Life cycle (EOL) Notice **(Notification on termination of Module Product)**

10th January 2022

To US Team,

This letter is to inform you that Samsung Electronics plans to execute an End of Life cycle (EOL) process for US Standard T-24 ACOM Products. (See below for specific part numbers).

After a thorough review of our existing product offering we have made the determination to discontinue these products in order to provide you with more advanced product.

We sincerely appreciate your use of these terminated products, and we ask your understanding on any inconvenience caused by termination. We hope that this notification allows you time to complete existing projects using your current designs and shift future designs to one of our other advanced solutions. Please note that, if EOL occurs prior to the expiration of the warranty period, we reserve the right to service this warranty with replacement parts.

Please contact your Samsung Electronics representative with any questions or concerns regarding this matter.

Part Numbers on EOL list
