

Product Discontinuation Notice: ERJ-xGEYK Series, ERJ-3EKF Series and ERJ-1TYJ Series (Larger than 1M Ω) Thick Film Chip Resistors

PDN.PG24. 06.30.2022

06.30.2022

Effective Date:	Immediate
Last Time Buy Date:	December 31, 2022
Last Eligible Ship Date:	December 31, 2023
Discontinuation Details:	The custom resistance value/large resistance value Resistors with more than 1MΩ will be discontinued for distributors only. Panasonic has decided to support only the resistance ranges listed in the catalog for production efficiency reasons.
Suggested Replacement:	There are no direct replacements
Affected Part Numbers:	See Attached
Datasheets:	See Attached. *Reference only for the reason mentioned in notes
Notes:	These parts numbers are not listed in the datasheet. The values on the right side of the table ("EOL value") are current custom resistance value range for distributors and will align the spec to standard one with this EOL.

Series	Standard resistance value (still active)	EOL value
ERJ3GEYK	-	12M / 15M / 18M / 22M Ω
ERJ3EKF	10-1M Ω	Larger than 1MΩ (-2.2MΩ) *E24, E96
ERJ6GEYK	-	12M / 15M / 18M / 22M Ω
ERJ8GEYK	-	12M / 15M / 18M / 22M Ω
ERJ1TYJ	1-1M Ω	Larger than 1MΩ (-2.2MΩ) *E24
