AMPHENOL LTW USB SERIES CONSOLIDATION & END OF LIFE NOTIFICATION

Dear Valued Customers,

Thank you for your business and continuous interests in Amphenol LTW's USB connectors. This official notification is to inform you there has been a part number revision to our standard USB Series.

First, please note USB-IF has officially announced the rebranding of USB 3.0 & USB 3.1 (see below). Amphenol LTW is following the official announcement and updating our P/Ns in order to avoid any confusion against USB standard.

- ✓ USB 3.0 → USB 3.2 Gen 1
- ✓ USB 3.1 → USB 3.2 Gen 2

Second, please note we are integrating & extending the P/N especially for double-ended product in order to cover wider product range.

Please note there's **NO** change on product design, specification, functionality, etc. and performance of the connectors remain the same. Please utilize attached ordering code for your coming orders (please refer to "Appendix A"). Kindly be advised this P/N change will be effective by **Oct. 5th, 2020**.

Amphenol LTW is committed to working closely with you to minimize any impact caused by this P/N change. Please feel free to contact our sales representatives should you have any question regarding this notification.

Sincerely,

Product Management Team

Amphenol LTW Technology Co., Ltd.
