**4M Change Notice**

(Product Type)MYBSP Series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.  
This is the official notification that some of our products' 4M Change will be proceeded as detailed below.  
Please review this, and confirm that you will expect to receive products after this 4M Change.  
Your understanding and support are highly appreciated.

**1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:**

Product Type: MYBSP0055AABFT

Changes:  Man  Machine  Material  Method

Before Change	After Change
Autosuplise pin	Autosuplise pin FINECS pn

Please refer to the attached documents for detailed Part Numbers' information.

**2. Reasons/Background:**

In order to improve the LT period for materials with long delivery times,  
Murata will add 2nd supplier: FINECS of the terminal pin to secure the supply and avoid  
potential LT risk. This PCN is minor change, and the product will have the same solderability.

**3. Products Before and After the Change:**

There are no changes of the products' design, quality, guaranteed specifications, and others,  
as Murata continuously uses the same production process and quality control system.

**4. Change Schedule:**

Process change alternate adding implementation date: Aug., 2, 2021

Start Shipping Date: Aug., 9, 2021

\*The change will start as soon as product is ready.

**5. Contact Window:**

Should you have any questions or concerns,  
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
