 Subject: Phase In and Phase Out Notice for Scotch-Brite™ Clean and Strip XT  
 Date: November 21, 2018

---

Dear Valued Customers and Distributors:

We are excited to announce two new products, Scotch-Brite™ Clean and Strip XT Pro and Scotch-Brite™ Clean and Strip XT Pro Extra Cut, will be commercially available for sale in January 2019. These products are two new additions to our popular Scotch-Brite™ Industrial Products.

Advancements in technology have allowed us to deliver enhanced performance with Scotch-Brite™ Clean and Strip XT Pro versus the current Scotch-Brite™ Clean and Strip XT. The Scotch-brite™ Clean and Strip XT Pro is now available in 10 attachment forms, including a NEW Type 27 Quick Change threaded Hub with a *high speed rating* of 13,300 (4.5in. Type 27 Quick Change)!

The ScotchBrite™ Clean and Strip XT Pro will have NEW UPCs and will be available for order by January 1, 2019. It will replace the ScotchBrite™ Clean and Strip XT with no price change. We will carry full inventory for ScotchBrite™ Clean and Strip XT through January 15, 2019. Any orders after January 15, 2019 will be filled, until the remaining inventory is depleted. Please see attached file for material replacement information.

Our new products are broader than the replacement materials! Please let us know if you would like to learn more about our exciting *new* Scotch-Brite™ nonwovens solutions - Your local 3M sales professional or 3M customer service can assist with further questions.
