To Whom It May Concern

Dear Customer and Partner,

I am writing to inform you that we are initiating a last time buy for the following products due to obsolescence of key components used to manufacture these products.

Model No.	Product Name	Suggested Replacement
73351R	SLTA-10/FT-10 Serial LonTalk Adapter	SmartServer IoT Pro (72201R-240) + U60 FT DIN USB Network Interface (75060R-40)
42100R	LPR-10 Router Module TP/FT-10 to TP/FT-10	SmartServer IoT Pro (72201R-240) + U60 FT DIN USB Network Interface (75060R-40)
75021R	U20 USB Network Interface - PL-20 Channel	U70 PL-20 DIN Network Interface (75070R-70)
65100R-200	LTM-10A Flash Control Module	CPM 5000 Control Module (55040R-10)

Our policy is to provide you with 6 month's notice to place your last order (February 18th, 2022) so you can adequately prepare for a transition. To help you plan for your transition, I have also suggested replacement products that you can consider.

I'd also like to use this opportunity to offer any assistance you need or answer any questions you have regarding your building automation, industrial controls or IoT product needs. Please reach out to your Dialog sales representative for assistance. We look forward to a continued business relationship.

Yours Sincerely,

Apurba Pradhan
Business Unit Director, Industrial Edge Computing
