

To our valued customers

Eindhoven, 1 June 2022

### Product Discontinuation SC-001607-CN Update

Dear Customer,

In February we informed you about the discontinuation of the following products:

<b>CCS811B-JOPR</b>	Material ID: 304000015	<b>CCS801B-COPR</b>	Material ID: 304000011
<b>CCS811B-JOPS</b>	Material ID: 304000016	<b>CCS801B-COPS</b>	Material ID: 304000012
<b>CCS811B-JOPD</b>	Material ID: 304000017	<b>CCS801B-COPD</b>	Material ID: 304000013
<b>CCS811-LG_EK_ST</b>	Material ID: 990600954	<b>CCS801-DF_EK_ST</b>	Material ID: 990600975

Due to an preponed shut down of the production line and therefore very limited quantities of finally available parts we unfortunately must inform you that no new orders can't be accepted with immediate effect. Also, for orders already placed only partial quantities will be confirmed and served. Orders that are already confirmed with ship date will not be affected.

In case of further inquiries, please feel free to contact [customerservice@sciosense.com](mailto:customerservice@sciosense.com) at any time.

The following alternative products will be continued and can be considered for replacement:

<b>ENS160-BGLM</b>	Material ID: 507870026
<b>ENS160-BGLT</b>	Material ID: 507870029
<b>ENS160-BGLR</b>	Material ID: 507870030

and the corresponding evaluation kit

<b>ENS160-LG_EK_ST V1</b>	Material ID: 507870028
---------------------------	------------------------

Our application team will be pleased to support you with product migration.

We are sorry for any inconvenience this may cause to you.

Best regards,

SciSense B.V.

Managing Directors: Everardus Hendriks, Stefan Raible, Dirk Enderlein
