**Last time buy MLX90121EFR-DAA-000-RE and MLX90121EFR-DAA-000-SP**

Dear,

We regret having to inform you that Melexis intends to stop production of products MLX90121EFR-DAA-000-RE and MLX90121EFR-DAA-000-SP because of low demand.

As a replacement product, we recommend one of our latest RFID reader products instead, for example the MLX90130: <http://melexis.com/General/General/MLX90130-777.aspx>

To aid this transition, Melexis will still accept regular orders for MLX90121EFR-DAA-000-xx till **31-Dec-2015**. At this date latest we accept a final all-time buy order for delivery within the following 12 months. Hence, we are providing you a one-year transition period.

The delivery of your Last-Time-Buy order will be possible till **31-Dec-2016**. This order will be non-cancelable and non-returnable. The current unit price, payment terms and shipment terms remain applicable.

For logistical follow-up and assistance with your orders, please contact your Customer Relations Responsible.

Yours sincerely,
