

# **Product Change Notification**

## **TE Connectivity**

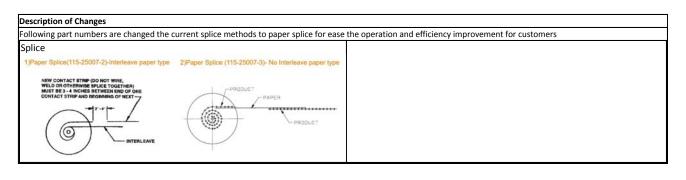

### Product Change Notification: E-19-014226

PCN Date: 20-SEP-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

#### General Product Description:

Changing the current splice method to paper splice for ease of operation and efficiency improvement for customers.

#### Reason for Changes:

Product Improvement. Product Improvement. Dear Customer, because of our continuous strive for improving our product quality and customer process efficiency, we hereby inform you about the changing the current splice method to paper splice method. The new splice method is changed by following a strict procedure, which guarantees quality, ability to supply and form-fit-function of the concerned products. The new splice method is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. **Estimated Dates:** 

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):			
	30-SEP-2019			
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):			
	01-OCT-2019			

#### Part Number(s) being Modified:

Part Number	Part Discontinued per	Customer	Customer Part	Alias Part	Substitute Part	Substitute Alias Part	Description Of
	PCN	Drawing	Number	Number(s)	Number	Number(s)	Difference
