

# **TE Connectivity**

Product Change Notification: E-21-002545 PCN Date: 04-MAR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

DEUTSCH W8S DT 8-Way Plug Wedge Lock Change

#### Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is making a change to the form of the W8S part number. An optional cutout feature will be added to the wedge lock in the "blade" area and optional ribs will be added in the flange area. This PN is TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing is affected, "Optional" callouts will be added.

#### Reason for Changes:

Product Improvement. Dear Customer, we hereby inform you of this change. In an effort to continuously improve our product, TE-ICT will be adding a new wedge lock mold to our production capacity with added features that are needed to facilitate manufacturability. While there is an impact to the part form, the fit and function are not impacted. This change will give manufacturing the option to use the existing mold or the new mold. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

# Estimated Dates

Estimated bates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	01-JUN-2021
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	01-DEC-2022
