*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

#### Description for Product Discontinuation

In an effort to streamline our product offering, the current M8 sensor/actuator boxes are being discontinued and will be replaced by new versions.

New versions will include all connection styles: molded master cable, M12, M16 or with a pluggable COMBICON master cable and separate cover. These replacement versions will be available for sale in November 2020. All technical properties and approvals will remain unchanged. The country of manufacture will change from Poland to Germany.

The attached file contains detailed dimensional changes and new marking material.
