

PRODUCT NOTIFICATION LETTER

Title: TS19503CB10H
Package: MSOP-10EP

Dearest Customer:

TSC would request acceptance of devices marked misalign with datasheet.
 The samples were produced with qualification marking code rule didn't convert to mass production marking code rule.
 The mass production document were already converted to correct coding on 30.Nov.2021
 TSC guarantees that there's no electrical, quality and reliability risks to these affected materials.

Please see top marking illustration below:

Qualification sample coding	Mass production product coding
	

Sincerely,

Chris Lin
Product Marking AVP – Taiwan Semiconductor
